

Eco self made scrub.

Don't you want to try something fresh, without toxins and easy self care made product for your skin or as a gift? I can help you.

- Things you'll need:
 - Coffee
 - Cinnamon
 - Sugar
 - Bowl
 - Jar with a cover

Step by step.

1st step...

Take a bowl and all the ingredients.

2nd step

In the bowl put Coffee, coconut cream and sugar. I put in 20 grams of each. And tablespoon of cinnamon.

*of course put sugar depending on your skin sensitivity.

3rd step

Then stir it together then cover the jar and keep it in cold place.

The final product...

Use it when you need it or want it. Maybe make it as a gift, because nothing is better than a self made gift.
