A close-up photograph of a piece of brown, textured cardboard. A jagged, irregular hole has been torn through the center of the cardboard. To the left of the hole, a vertical strip of the cardboard remains attached, partially covering the opening. Through the hole, a white surface is visible, featuring the word "GRACIAS" printed in a black, serif, all-caps font. The lighting is even, highlighting the fibrous texture of the cardboard and the clean edges of the white background.

GRACIAS
